Alaska COVID-19 ECHO

Tuesdays
7:00pm – 8:30pm
Beginning 3/31/20

At no cost to participants, the Alaska COVID-19 ECHO will provide up to date information and support for Alaskan healthcare stakeholders via Zoom videoconferencing.

How does it work?
Project ECHO creates a virtual learning network with real-time access to a team of multidisciplinary experts.

Each session features a brief lecture and an interactive case or process discussion.

Would you like to present a case or concern from your practice?
Potential topics may include: obtaining testing, telephone triage, leveraging telehealth, managing potentially exposed patients, treatment of a hospitalized patient, protocol for alternative staffing plans, policies for protection of high need faculty, staff, or patients, among many others.
